

# Extension: Tracking Your Budget

Name \_\_\_\_\_ Date \_\_\_\_\_

List the amounts of money you will receive next month on the left side of the chart. In the middle, list the items you plan to buy. On the right, write the cost per item. Then add up your income and your purchases to see whether your income can support your spending.

## Monthly Budget Chart

Income	Purchases	Cost
Total income:	Total cost of purchases:	Savings:

**Follow-up:** Is there anything left over to save? Make a plan to improve your budget.
