

Review: Planning

Name _____

Date _____

Complete each item below.

1. What is the purpose of planning?

2. Write the formula for creating an effective goal statement.

3. What are objectives? What six questions do they answer?

4. What other four parts of a project must you plan? (Hint: They all start with "T.")

5. How can you use your planning sheet during other steps in the inquiry process?

Reflect: How will you plan for your next school assignment?
