

# Extension: Overview of 21st Century Skills

Name \_\_\_\_\_

Date \_\_\_\_\_

Imagine that you and a group of students are going to plant a garden of flowers and vegetables at your school. The garden should beautify the grounds but also provide food. Answer each item below to think about working through the process. For each item, circle the 21st century skills required.

1. Write a goal for your project.

---

---

**Critical/Creative Thinking****Problem Solving****Collaborating**

2. Define the 5 W's and H of your project.

Who? \_\_\_\_\_

What? \_\_\_\_\_

Where? \_\_\_\_\_

When? \_\_\_\_\_

Why? \_\_\_\_\_

How? \_\_\_\_\_

**Critical/Creative Thinking****Communicating****Collaborating**

3. List tasks you will need to do to create your garden. \_\_\_\_\_

---

---

---

---

**Listening****Critical/Creative Thinking****Study Skills**

4. List the team and tools you can use to create your garden. \_\_\_\_\_
