

Extension: Collaborating

Name _____

Date _____

Your Turn With the help of two or three classmates, analyze a famous collaborative effort by answering the questions below. Use effective group strategies to complete your work.

1. Name the situation (drafting the Constitution, planning the 1851 World's Fair in London, etc.):

2. Review the 5 W's and H of the situation. (See *Inquire* page 86.)

- Who? _____
- What? _____
- Where? _____
- When? _____
- Why? _____
- How? _____

3. Explore the leadership strategies. (See *Inquire* page 85.)

- Who was the leader? _____

- What leadership strategies did he or she employ? _____

4. Explore the group member strategies. (See *Inquire* page 85.)

- What stands out about some or all of the group members? _____

- Which strategies did these group members use? _____

5. Consider the decision making. (See *Inquire* page 87.)

- How did the group come to its decision/decisions? _____

- Was this a smooth or a rough process? Explain. _____

Follow-up: Prepare a brief report of your analysis to share with the class for discussion.
