Your Turn On pages 317–319, you investigated a career and completed a career plan for it. Extend your career planning by researching a company (corporation, organization, clinic, etc.) that you might want to work for someday. Answer the following questions about this company.

Company Profile

1. What is the name of the company and where is it located?

2. Why does this company interest you?

3. What product does it make or what service does it provide?

4. How many people work there? What would be a profile of a typical employee?

5. Who owns the company? How is it organized?

6. What would your “dream job” within the company involve?

7. What does this company look for in a potential employee?

Follow-up: Has investigating this company changed your career plan in any way? If so, how?
