

# Review: Inquiry Process

Name \_\_\_\_\_

Date \_\_\_\_\_

**Your Turn** Complete each item below.

1. Match each step in the inquiry process with its description.

**Questioning**

- Using your planning and research to make something new

**Planning**

- Collecting information and resources for your work

**Researching**

- Making critical and creative changes to your work

**Creating**

- Sharing your work with your audience

**Improving**

- Setting up goals for a project and outlining tasks, time, team, and objectives

**Presenting**

- Exploring possibilities by imagining and brainstorming

2. Think of something you want to do or something you have put off doing for some time. State a goal for this activity.

---

---

3. Write objectives for your goal, as you would on a planning sheet, by answering the 5 W's and H.

Who? \_\_\_\_\_

What? \_\_\_\_\_

Where? \_\_\_\_\_

When? \_\_\_\_\_

Why? \_\_\_\_\_

How? \_\_\_\_\_

4. Describe the types of research you would need to undertake to achieve your goal.
