Name _____

Date _____

Your Turn Write about your experiences presenting your work in person and online.

1. How would you describe your experience with giving speeches or oral presentations?

2. Do you feel anxious about talking in front of large groups of people? If so, what strategies have helped to calm your nerves?

3. Have you ever presented school work online? If so, which format did you use (blog, microblog post, online video, etc.)?

4. Has anyone ever commented on your work online? Do you enjoy reading feedback, or would you rather not know how others feel about your work? Explain.

5. Do you prefer presenting work online or in person? Explain your choice.
