

Review: Presenting

Name _____

Date _____

Your Turn Answer each of the following questions.

1. What questions should you consider before presenting your work?

2. Which do you prefer to use for an oral presentation: note cards, an outline, a slide show, or a manuscript? Explain.

3. Why do you think people post their work online?

4. What are the pros and cons of posting your work on a public online site?

5. How can you use social media to promote your work?
