

Extension: Creative Thinking

Name _____

Date _____

Your Turn Think creatively about the common, ordinary paper clip by completing the following activities. You will focus on remembering, understanding, and applying (*Inquire* pages 32-37).

1. Generate your initial thoughts about a paper clip by completing a cluster about it (page 32).

2. Next, think metaphorically about a paper clip by creating a simile, a metaphor, another analogy, and a symbol for it (page 34).

3. Then compose a square-peg question about a paper clip using the sentence formula on page 36. Answer the question in as many ways as you can.

Follow-up: Write freely for 5 to 8 minutes, highlighting the discoveries you have made about paper clips with the three creative strategies above.
