

Review: Improving

Name _____

Date _____

Your Turn

Answer each question below.

1. How do you use your goal and objectives when you evaluate your work?

The goal and objectives go into the first column of the rubric sheet.

They are the basis of the evaluation.

2. What rating can you give for each item on the rubric sheet?

a. Beat

c. Didn't

b. Met

d. Any of these

3. Write three things you should do when getting a second opinion about your work.

Any three of these: Introduce the project, outline goal and objectives, focus feedback, present project, give space to the reviewer.

4. Write three things you should do when giving an opinion about another's work.

Any three of these: Connect with the project leader, connect with goal and objectives, focus first on the positive, state the negative in positive terms, provide options, step back.

5. Which two of the following are **critical** improvements?

a. Cutting

c. Reworking

b. Rearranging

d. Adding

6. Which two of the following are **creative** improvements?

a. Cutting

c. Reworking

b. Rearranging

d. Adding

Reflect: How will you plan to improve your work in the future?

Answers will vary.
