

Extension: Problem Solving

Name _____

Date _____

Your Turn

Search a newspaper, newsmagazine, or news Web site to find a difficult problem to solve. Then answer the following questions.

1. Examine the problem by answering the 5 W's and H.

Who? _____

What? _____

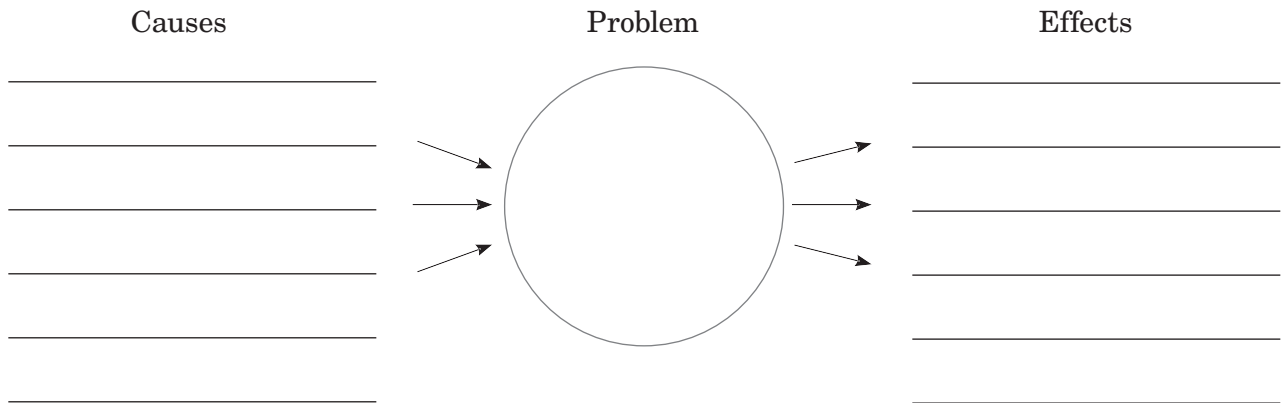

Where? _____

When? _____

Why? _____

How? _____

2. Analyze the problem by completing the following cause-effect chart.

3. Brainstorm solutions, creating a cluster to explore possibilities.

Follow-up: Select one of the solutions and plan out how to apply it. Use the strategies on *Inquire* page 53.
