

Name: _____

The Three Bears

Complete the following addition problems with the help of these friendly bears.

1. One bear → 2 ears.

2. Two bears → _____ ears.

$$2 + 2 = \underline{\hspace{2cm}}$$

3. Three bears → _____ ears.

$$2 + 2 + 2 = \underline{\hspace{2cm}}$$

**One
More
Step**

Fill in the right number word and numbers below. On the back, draw the bears needed for this problem.

_____ bears → 8 ears.

$$\underline{\hspace{1cm}} + \underline{\hspace{1cm}} + \underline{\hspace{1cm}} + \underline{\hspace{1cm}} = 8$$
