

# Good Things About Me

Draw and write about good things you do, say, and think.

A large rectangular frame designed for a drawing and writing activity. The frame is defined by a solid black border. Along the top and bottom edges, there are 15 simple smiley face icons (a circle with two dots for eyes and a curved line for a mouth) spaced evenly. The left and right vertical edges each feature 7 smiley face icons, also spaced evenly. The central area of the frame is completely blank, providing space for a child to draw and write about their good qualities.
